

# Center Gift Recognition...

## How will my contribution be recognized?

Contributions in any amount are welcome and much needed to help build the Holmen Area Community Center. All donations will be recognized and those of \$1,000 or more will be recognized on a permanent commemorative marker to be prominently displayed in the Community Center.

Donors may choose to designate their contributions for one or more programming areas of particular interest to them. In addition, gift naming opportunities can memorialize an individual, family, business or organization by naming a room or program area in their honor. Please contact Laurie Kessler at 386-1749 for a confidential conversation about special naming opportunities.

### Levels of giving include:

- Partners of the Holmen Area Community Center - \$100,000 +
- Pacesetters of the Holmen Area Community Center - \$10,000-\$99,999
- Leaders of the Holmen Area Community Center - \$1,000 - \$9,999
- Benefactors of the Holmen Area Community Center - \$100- \$999
- Friends of the Holmen Area Community Center - \$1 - \$99

We are sensitive to those who may not want public recognition for their gift. We respect this is a choice for some and will honor these requests.
