

# HOLMEN AREA COMMUNITY CENTER

## PROGRAM GUIDE

# OUR STORY

**BOYS & GIRLS CLUBS**  
OF GREATER LA CROSSE

**School District**  
of Holmen

## It Began with a Dream

In 2005 the community of Holmen took a step back to take a closer look at the needs of our youth. Careful listening, honest conversations and an analysis of current offerings in our community led to the realization that there was a need for a safe and productive place for our young people to gather. Holmen was one of the few communities in this part of the state that had no such place.

After years of unfailing dedication and commitment, a partnership involving the Boys and Girls Club of Greater La Crosse, the Holmen Area Community Center and the School District of Holmen was forged. After years of planning and gathering community support, a small group of determined citizens devised a workable plan that not only provides a needed space for our youth, but also a facility that would create meaningful intergenerational connections through purposeful programming.

This three-way partnership is unique and serves one of the fastest growing communities in the state of Wisconsin.

## Support to Continue

We hope you will consider supporting the Holmen Area Community Center (HACC) as our new organization grows and thrives. HACC depends on a variety of charitable support, memberships, program fees, and rental fees to continue to provide intergenerational opportunities, education and supportive programming to our community.

We hope that your support will help us to meet our mission while investing in a model for other communities to follow. Connecting generations in a climate of hospitality builds a fabric of stability and citizenship. Strong communities work together to strengthen and support all generations and cultures to help their community grow and flourish.

## Usage Agreement

For this agreement, the organization requesting access to the Holmen Area Community Center will be referred to as “renter” while Holmen Area Community Center will be referred to as HACC. If the request for the use of the facility is approved, the named renter agrees to enforce the following regulations of HACC governing the use of the facility.

2. The renter is responsible for the following maintenance:
  - Remove all decorations from the walls, tables and floors, including any command strips and tape. Command strips and tape are not allowed on the painted walls, only on pre approved metal or wood surfaces.
  - If any furniture is moved, please be sure to put it back to its original place. (Taking a before picture will help you with this process)

*(Continued)*

- Check carpeting and vacuum. If there is a spill, please let the supervisor know so it can be dealt with.
  - A mop bucket and broom is available for any non-carpeted areas if needed.
  - The changing station located in the exam room should be wiped down. Please remove diapers with the trash.
  - Remove all table coverings and wipe down the tables and the serving counter.
  - Only use the three large kitchen sinks along the back wall. If kitchen sinks are used, please clean the sinks and make sure water is in the OFF position. DO NOT use the garbage disposal.
  - Refrigerator should be empty of your things and any spills should be wiped up.
  - Consolidate all garbage and remove all trash from garbage cans and replace bags (found in the cleaning closet). Garbage cans are in the kitchen (2), dining room (2) and in the exam room if used.
3. Areas of Rental Agreement must be followed. No additional rooms, areas, and/or spaces should be used unless designated on the Rental Agreement form.
  4. Smoking and other drugs are strictly prohibited in and around the facility. Alcoholic beverages must be pre-approved.
  5. Prior to use, the renter is required to provide a certificate of insurance wherein the HACC is named as insured.
