# Happy New Year

2025 was a year of forward movement and growth for the Holmen Area Community Center (HACC). The generosity of our members, volunteers, and donors gave us support to meet the needs of Holmen and the surrounding area. We collaborate with Village, County and State leaders, non profit organizations, businesses, and community members to create a space where all are welcome. The work of HACC is to build intentional programming and welcome area residents of all ages, experiences, genders and ethnicities. The center builds strength in mind, body and spirit through programs offered in the areas of health, fitness, nutrition, creative arts, social interaction and life long learning. Together we make a difference to help our community connect and grow stronger. - Robin Moses, Executive Director
